

Key Knowledge

- Christians believe that God created the world in six days and rested on the seventh.
- Christians believe that God cares for his own creation, including humans.
- Christians believe that God loves the world he has made and would want it to be treated well.
- In the Creation story, God gives humans the special job of caring for his world.
- Christians believe that humans are stewards of the world for God.
- Christians believe that the Bible is written by God to give his people a way of understanding life and how to live it. This means that Christians listen to God carefully as they read the Bible.
