Safeguarding

As we enter the final half-term of the academic year, please can we remind parents/carers to ensure children come to school with a high quality sunscreen already applied, a bottle of water and a cap. We want everyone to stay safe and healthy during the warmer months. Could we also ask that children do not come to school wearing watches that have a camera feature.

Goodbyes

We are very sad to be saying goodbye to Mrs Mohan, who joined William Cassidi in 2021 after returning to England from Dubai. Throughout her time at William Cassidi she has taught in Y2 and Reception classes and has had a positive impact across the whole school in her role as PE curriculum leader. Come September, Mrs Mohan is looking forward to spending more time with her family and having the opportunity to travel back and forth to Dubai throughout the year. We will miss her and wish her well with her next adventure. We will make sure she joins in the leavers' parade on the final day of term and treasure her final weeks in school.

Half-Term Events

We have been informed by Stockton local authority that every Sunday morning at 9am there is a 2k junior parkrun which starts at the fountain in the middle of Albert park. It's for 4-14 years and they have all ages joining in, it's free to enter and there is no time limit for completing it. Parents can register their children via the link:
