Newsletter Autumn 2 - 2025

Exciting News

We have worked hard to secure funding to make necessary improvements to the school roof. There will be up to £160,000.00 worth of works carried out on the school roof in between the 24th October and 5th December. This will not impact the day to day running of the school but will have implications for the staff car park, which will be fenced off for the duration of the work. All contractors have enhanced DBS checks in place and will be completing external works only.
